## **23 to 2**

Hey little boy,  
What ya thinkin?  
What ya hidin  
behind those little blue eyes?  
Are those little eyes happy?  
Well, let me tell you,  
it won't last. You'll see.  
Are ya feelin loved?  
feelin special? feelin needed?  
just plain feelin?  
Is your little body healthy?  
Is your little mind free?  
Well, let me tell you,  
it won't last. You'll see.  
Little boy, ya gonna learn  
to hide things deep,  
to keep those baby blues  
cold and cracked with red  
to only speak with your heart  
on paper and then only  
in measured bursts.
